

The Parents? and Friends? Association commenced at Dromana College in 2004 under the direction and leadership of the Principal and the Parent Liaison Officer, Theresa Stelling. It was formed to provide a forum for communication between families and the school and for the sharing of information about aspects of fund raising events and school activities that are of interest to our parent body.

The Parents? and Friends? Association meet on the first Wednesday of the month in the staffroom at the college to promote the welfare of Dromana College and to discuss a variety of fundraising activities such as social occasions, Bunnings BBQ?s, Peninsula Teenage Fashion Exhibition and other activities which enhance the sense of community in the school and help to improve communication.

This dedicated group of parents have contributed a substantial amount of support to the college.
