- [Emergency Management Plan](#)
- [Managing Schools in High Risk Bush Fire Areas](#)

ANNUAL IMPLEMENTATION PLAN

The annual implementation plan can be downloaded from the list above.

STRATEGIC PLAN

The strategic plan can be downloaded from the list above.

PARENT NEWSLETTER

The college issues a regular newsletter to parents. The 'Parent Newsletter' contains important information about college events and notification of variations to the normal college program. It is important that parents receive newsletters as they are a valuable source of information about events happening in the college. In our continuing commitment to the environment and to reduce our paper output, the Parent Newsletter is available for download below or via email by request.

If you do not have Internet access, hard copies of the Parent Newsletter are available from the Administration Office on request.

If you would like to receive the Parent Newsletter via email please forward your request via email including your name, your child's name and contact details to: lowe.lynda.l@edumail.vic.gov.au alternatively, contact the college with your details. To ensure that you receive the most up to date information via email, it is vital that you contact the college if your email address changes.
